

## Corporate Responsibility Policy Statement

---

Supplying the construction and allied industries for over 15 years, Tiger Supplies is dedicated to providing confidence in the quality and service of our products to all sectors of the industry. Family owned and family run, the Company ethos has always been based on fair and ethical trade.

### **Our Company Mission Statement is as follows: -**

*Our mission is to be a market leading supplier of site equipment. We aim to be recognised for our high level of customer service, supplying every customer with goods and services that satisfy or exceed their expectations at a fair and competitive rate.*

We have reviewed our operations and identified the main impacts of our operations on the local community and environment in which we operate. We aim to address these impacts by:

- Promoting the reduction of energy and water consumption.
- Minimising the production of waste by means of resource efficiency and the avoidance of any unnecessary packaging
- Ensuring recyclable waste is segregated from non-recyclable waste before safe disposal. As a result, minimising the amount of waste sent to landfill.
- Maintaining our recycling scheme for steel and office equipment and consumables, and constantly looking to expand this scheme.
- Purchasing or utilising recycled materials (or materials obtained from renewable sources), products and waste wherever possible and viable.
- Ensuring a safe and healthy working environment for our staff, members of the public and anyone else with whom we are working.
- Liaising closely within our supply chain – suppliers, customers, contractors and subcontractors – to develop innovative, more efficient or sustainable options and working practices.
- Engaging with local communities and assisting with prevalent issues such as employment, noise, waste, transport, etc.
- Supporting the work of charities worldwide.
- Promoting a strong sense of ethics and social responsibility. Ensuring all staff follow our prescribed Code of Conduct.
- Ensuring our employees are treated in a fair and equal manner, in accordance with our Equal Opportunities Policy.
- Encouraging the positive, stimulating and opportune development of all staff and their working roles
- Recognising the importance of employee health.
- Effectively communicating this Policy Statement to all staff at their induction training so that they understand their responsibilities and the positive contribution they can make in the implementation of this Policy.

This Policy Statement applies to all divisions and functions of the Company. It is approved and will be reviewed and updated annually by the Company Directors. Amendments will be made as and when necessary.
